**Enjoy the Show!**

Thank You for Coming!

*Dear Parents of our orphans, servants, billionaires & members of our community:*

*Please accept our sincere thanks for allowing your child to be a part of this, our second production, here at the Riley Avenue Elementary School.*

*We are so proud of the hard work everyone has put into this show. It was truly a "Hard-Knock Life." Actually, hard work is an understatement!!! The students have gone all out for this production that you are about to see. As "Annie" goes from "A Little Girl" in rags to the wonderful riches on "Easy Street," the cast begins to realize that "Maybe" there is a chance that "They will Begin to Like it Here." In knowing that, the students realize "We're Never Fully Dressed Without a Smile." This entire process involved the students practicing many hours after school for an hour during our Reader's Theater Enrichment Program. We cannot thank everyone enough for such a wonderful experience for our children.*

*Every participant, either on the stage or behind the curtain, has put a tremendous amount of effort into making this such a fun experience. Everything you see is entirely handmade by students, parents, and staff, and most props and clothing have been either donated by parents or purchased.*

*As the years go on, and after two shows, the sets, costumes, and sound have expanded and has become more beautiful. The staff and older students from the high school have mentored our students successfully in providing you with a high quality production for all to enjoy.*

*As you sit back and relax, the entire cast believes that "They Don't Need Anything but You" as we look forward to "Tomorrow."*

*Congratulations on a job well done!*

*Respectfully,  
The Production Staff*

Welcome to Riley Avenue Elementary School's performance of Annie. This show takes place in the middle of the 1930's. Annie is a fiery young orphan girl who must live in a miserable orphanage run by the tyrannical Miss Hannigan. Her seemingly hopeless situation changes dramatically when she is selected to spend a short time at the residence of the wealthy billionaire, Oliver Warbucks. Will Annie and her friends be able to escape from the horrid conditions of the orphanage in which they live? Will the promises made by Herbert Hoover simply turn into nothing more than just words? The students of Riley Avenue are about to embark on a voyage back in time to show how even the worst of times become joyous with perseverance and the help of others.
